Presentation on BIM World at IGMA Summer Meeting June 17, 2008

The Insulating Glass Manufacturers Alliance (IGMA) is pleased to announce that Michael Collins, Managing Partner and Co-founder of BIM World will be making a presentation on the **BIM World** Software Products during the IGMA Summer Technical Meetings scheduled for the week of June 16th, 2008 in Whistler, BC.

"There has been a lot of industry buzz on this new project software which provides integrated technology and service solutions for project management and we are pleased to be able to offer this presentation to our members." stated Margaret Webb, IGMA Executive Director.

In addition to the presentation on BIM World, members will be provided with updates to both the **US and Canadian Energy Star Programs**, Brian Hubbs, RDH Buidling Engineering Ltd will be presenting on "**Marketplace Trends & Challenges for Glass Products**" and Chris Barry, Pilkington NA will be presenting "**Innovative Applications for High Transmission Glass**".

Complete meeting information is available from the IGMA website, www.igmaonline.org.
