### **SUNRISE WINDOWS PARTNERS WITH NAPAC**

Window Manufacturer Provides Customers Access To Industry Resources

TEMPERANCE, MI., September 12, 2011 – Sunrise Windows, a vinyl window and sliding door manufacturer, and the National Association of Professionally Accredited Contractors (NAPAC) have partnered to offer window dealers in the manufacturer’s network access to legal and operational resources specifically created for the remodeling industry. These tools include legal forms, operational guides, informational papers, and video seminars.

“Having NAPAC as a Sunrise partner means our dealers can build upon a solid foundation,” said Mike Mooney, Vice President of Marketing for Sunrise Windows. “As NAPAC members, our dealers can stay on the forefront of legal and technical information to help their businesses stay profitable.”

NAPAC’s yearly membership includes all the materials the organization has available, as well as any new resources added throughout the year. Also part of the membership is a subscription to the NAPAC Report, highlighting and delving into important industry developments. More information can be found on NAPAC’s website, [www.napac.net](http://www.napac.net).

Sunrise Windows is a leading manufacturer of premium-performing vinyl replacement windows and sliding doors with cutting-edge options, such as SunBlinds and Simulated Divided Lites in five distinct product lines, serving customers in over 35 states. The company has won multiple Crystal Achievement Awards for innovative approaches in product, manufacturing, and marketing.
