

Long Island Contractors and Remodelers, Roofers, Window & Siding, etc.

Save Your Jobs! National Contractors March on Washington Thurs. April 15

**On "Earth Day", The
New EPA Lead Paint
Law Can Put You
Out Of Business!**

First Offense: \$37,500

**We are asking for an
immediate postponement
and modification of these
new regulations**

**Estimated 25% increased cost to homeowners due
to loss of our productivity, plus the cost of materials,
equipment, and recordkeeping**

- Is your company certified (registered with the EPA)?
- Are you a Certified Renovator (8 hour course with test)?
- Have you trained the rest of your crew?
- Have you purchased Disposable Clothing, NIOSH 100 Respirators, Gloves, Booties, 6 mil Plastic, Duct Tape, Warning Signs, Reflective Cones, "Crime Scene" Tape, Lead Test Kits, and a HEPA Vacuum?

**Will you be in full compliance by April 22nd?
Otherwise...**

**YOU CAN'T WORK ON ANY HOME BUILT PRIOR TO
1978, OR ANY CHILD CARE FACILITY** including
schools, kindergartens, day care centers, etc.

Join us! All Construction Trades Welcome.
